**DELHI ELECTRICITY REGULATORY COMMISSION****Vinayamak Bhawan, C-Block, Shivalik, Malviya Nagar, New Delhi - 110 017.**

F.3(272)/Tariff/DERC/2009-10.C.F.No.2238/

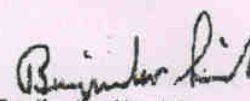

ORDER

(Date of Order: 09.07.2010)

1. In exercise of powers conferred under the Electricity Act, 2003, and having regard to National Electricity Policy, Tariff Policy and in line with the Jawaharlal Nehru Solar Mission (JNNSM) guidelines, the Commission adopts the CERC (Terms and Conditions for Tariff Determination from Renewable Energy Sources) Regulations, 2009 in so far as these relate to solar PV; and the levelised tariff for 25 years as fixed by CERC from time to time in its Tariff Orders relating to Solar PV Projects; for such solar PV projects in the NCT of Delhi which are eligible for Generation Based Incentive (GBI) under JNNSM and Ministry of New and Renewable Energy (MNRE), Govt of India guidelines No. 5/23/2009-P&C dated 16.06.2010 for roof top PV and small solar power generation programme. The per unit tariff rates fixed by CERC for plant size of 1 MW shall also be applicable to plant size lower than 1 MW, till such time as CERC prescribes separate rates for this category.
2. Ordered accordingly.
